

Cha bhi mi a'ruith air falbh  
no a'fosgladh dhorsan.

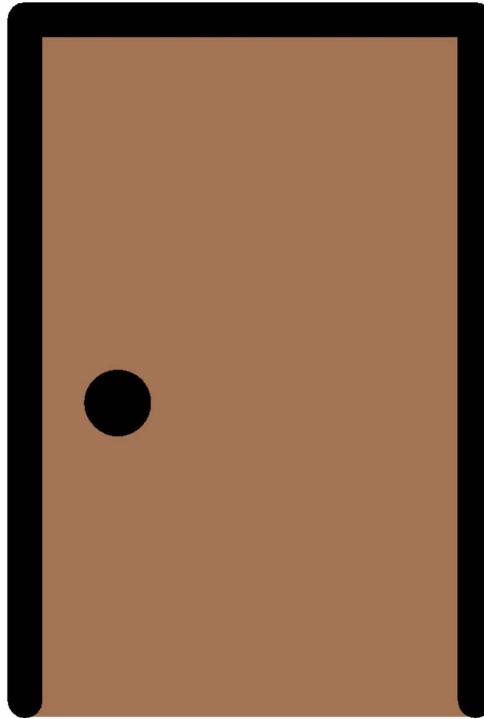

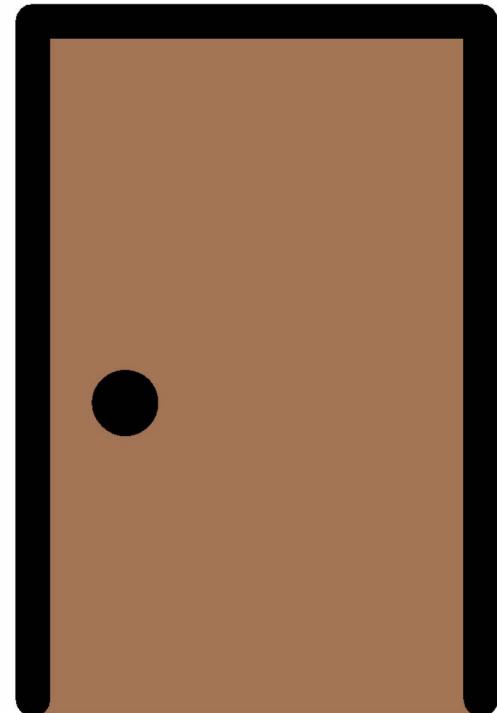

Uaireannan chan eil mi  
toilichte anns an sgoil-àraich.

Nuair nach eil mi toilichte, bidh mi a'ruith  
a-mach às an rùm.

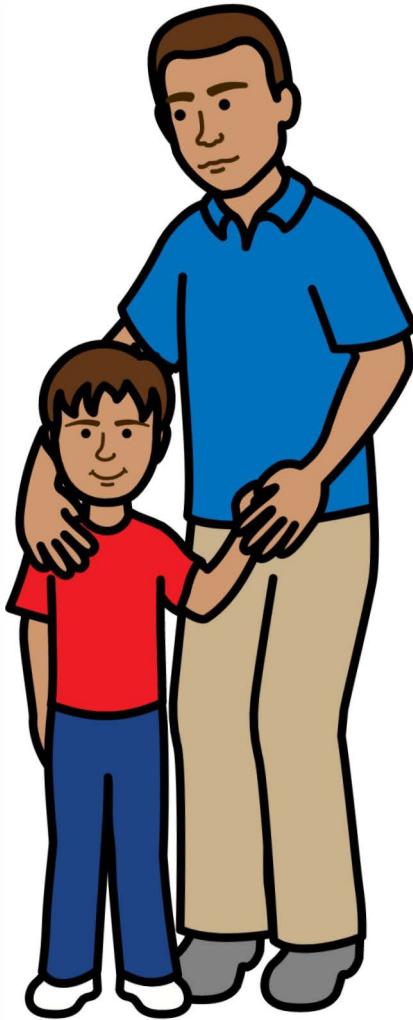

Nuair nach eil mi toilichte, bidh mi a' fosgladh an dorais. Chan fhaod mi an doras fhosgladh, 's e \_\_\_\_\_ a bhios a' fosgladh an dorais.

Chan eil e sàbhailte nuair a tha mi a'  
ruith a-mach às an rùm.

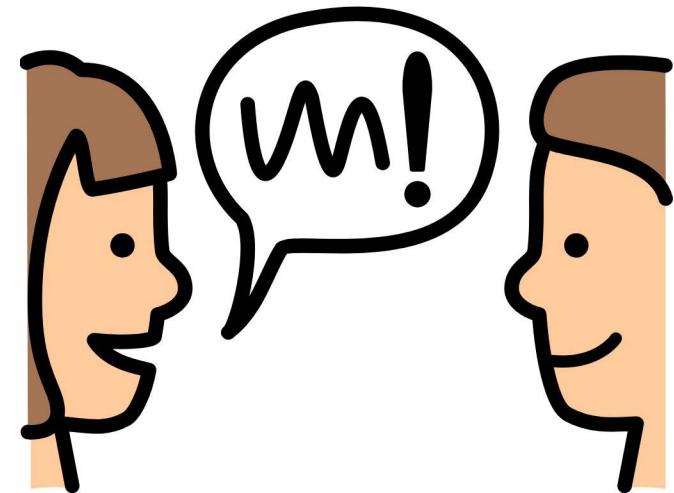

Nuair a tha mi a'ruith a-mach, is dòcha gun  
goirtich mi mi fhèin.

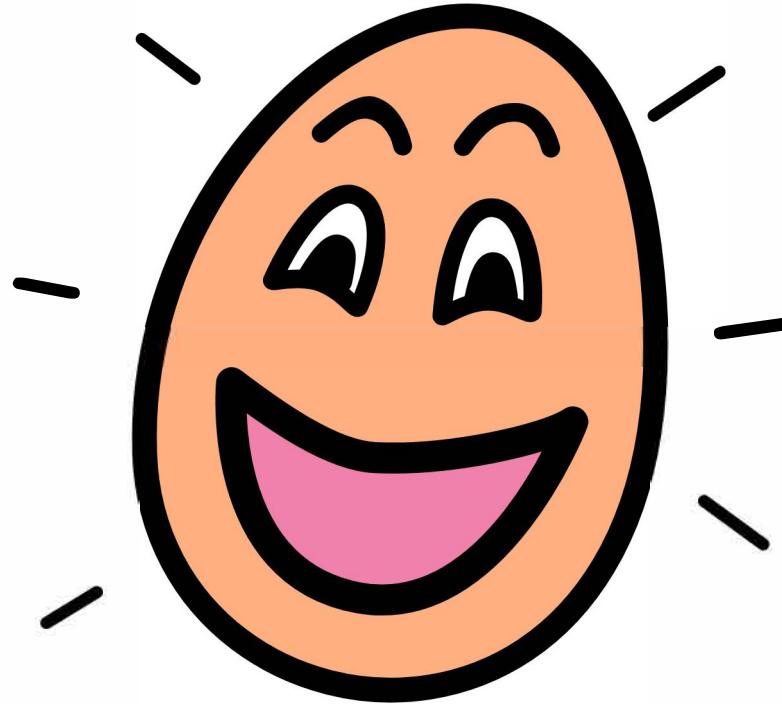

Feumaidh sinn a bhith sàbhailte.

Airson a bhith sàbhailte, feumaidh mi  
fuireach anns an rùm.

An àite a bhith a'ruith air falbh, faodaidh mi  
bruidhinn ri \_\_\_\_\_.

Cuidichidh \_\_\_\_\_ mi, agus an uair sin bidh  
mi a' faireachdainn nas fheàrr.
